Effect of GutsyGum, a novel gum, on subjective ratings of gastro-esophageal reflux following a refluxogenic meal.

Published in Journal of Dietary Supplements–August 21, 2014, Brown, Rachel; Sam, Cecilia H Y; Green, Tim & Wood, Simon.

Gutsy Products promote oral and digestive health with a proprietary blend of nature’s remedies. So the next time you have that queasy, uneasy, refluxy feeling, with GutBurn™ or GutBloat™, Gutsyproducts can help you.

Gutsy Chewy contains our proprietary blend of nature’s heartburn remedies (GiGs®): papaya, licorice root and apple cider vinegar. It also has xylitol to optimize oral health, plus calcium and magnesium for digestive health. Together, they enhance the body’s natural defense mechanisms against reflux and neutralize GutBurn™ and GutBloat™.

Gutsy Chewy is a chewable tablet. It contains xylitol, Calcium Carbonate, Magnesium Hydroxide, Citric Acid, Magnesium Stearate, Apple Cider Vinegar Powder, Natural Color, Licorice Extract, Natural Flavor, Papain.

For that queasy, uneasy, refluxy feeling.

MADE IN ALABAMA

Gutsy Products promote oral and digestive health with a proprietary blend of nature’s remedies. So the next time you have that queasy, uneasy, refluxy feeling, with GutBurn™ or GutBloat™, Gutsyproducts can help you.

Gutsy Chewy contains our proprietary blend of nature’s heartburn remedies (GiGs®): papaya, licorice root and apple cider vinegar. It also has xylitol to optimize oral health, plus calcium and magnesium for digestive health. Together, they enhance the body’s natural defense mechanisms against reflux and neutralize GutBurn™ and GutBloat™.

Effective and Safe

GiGs® with calcium was tested in a randomized, double-blind, placebo-controlled human clinical study and was shown to alleviate symptoms of heartburn and acid reflux, reducing these by nearly 50% compared to the placebo. GiGs® has been assessed by leading U.S. toxicologists and found to be safe at the levels recommended.
