Just the Facts

• Made In Nature Organic Dried Fruit Fusions are mouthfuls of pure, organic whole fruit bites blended to perfection with an exciting twist of delight.
• Dried Fruit Fusions are 100% organic and do not contain any GMOs, artificial color additives, preservatives, fertilizers, or pesticides.
• No sulfur dioxide or other chemicals are used during the drying process.
• With 100 calories or less per bag and no added sugar, Single Serve Fruit Fusions are the perfect snack for all ages.
• Fruit Fusions are gluten-free, nut-free, and available in four delicious flavors: Super Berry, Apple Cinnamon, Mediterranean, and Tropical.

Sampling Fun

The Single Serve Fruit Fusions are the perfect lunch box snack for kids, but moms can enjoy them too! They are a great topping for yogurt or oatmeal. During your meeting, set up a yogurt bar with your favorite flavors and have your group members try the Single Serve Fruit Fusions as a topping, in addition to snacking on them right from the pack.

Where to Purchase
